MOMENTS TO REMEMBER

DRESS CODE: A FRIENDLY SMILE

The first thing you'll notice at Traube Tonbach is the warmth of the people. The smiles, the handshakes, the big hearts and the willingness to go the extra mile.

Perhaps this is because the people of Tonbachtal simply love to host guests, and know from over 230 years of experience that a friendly face makes all the difference.

But perhaps the reason is much simpler: because it is simply beautiful here. And always feels a little like coming home.

BECAUSE EVERY JOURNEY ALWAYS HAS A DESTINATION

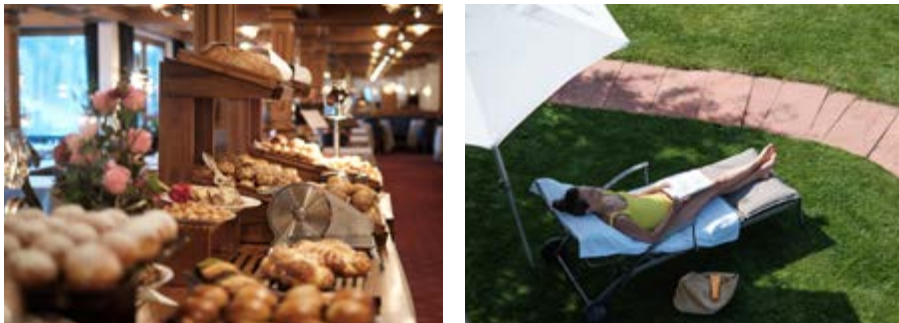

Our favorite places always feel a little like home. Every room and apartment, every suite and the many retreats, from the wellness area to the Rosengärtle – a place of comfort.

Stay in the hotel itself, which nestles comfortably on a Black Forest hillside, or a spacious, light and airy Kohlwald apartment, which even has its own small, elegant spa lounge.

If we were to have a philosophy, it would be to stay true to our tradition of offering a personal service above all else, where every vacation is a little different. From a well-deserved rest to a lively program of activities

TRAUBE DIEM: ENJOY EVERY MOMENT

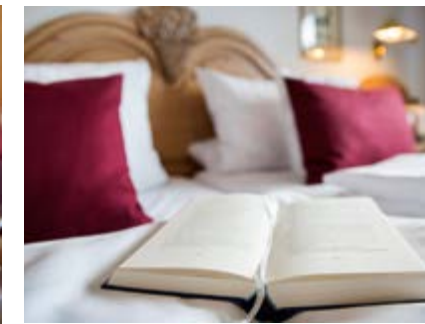

The cheery breakfast in the morning. The light afternoon refreshments, whether or not you have a sweet tooth. The many culinary experiences: whether in the 3-star restaurant Schwarzwaldstube or in the 1-star restaurant 1789. A treat for the whole family in the restaurant Schatzhauser, a tasty pause at our Blockhütte log cabin or an extravagant meal in our restaurant Silberberg.

You can also expect some spontaneous art encounters: The vinotheque, featuring a fine selection of wines curated by our sommelier Stéphane Gass. A stroll through our small shopping mall. The sunny spot in the hidden Rosengärtle. The piano notes in the hotel lobby. The signature drink at the hotel bar.

It is the sum of such many beautiful moments that make a stay at the Traube Tonbach truly unforgettable.

THE MOST BEAUTIFUL WAY

TO FIND YOURSELF

Wellness | Spa

WHERE THE SOUL GOES ON VACATION

The purest source of energy: our wellness and spa area. A retreat and place of rejuvenation at the same time. Designed to allow you to simply relax.

A place to calm your mind and rest or move your body. Sunbathe or take a dip in the spring water. Do nothing or be pampered with exclusive products and modern treatment techniques. Clear your pores in one of 5 saunas or the floral steam bath. Luxuriate in the water from the Tonbacher Buschbrunnen spring in one of our pools.

BLACK FOREST ADVENTURE

On the doorstep of Traube Tonbach, you will find one of the most exciting natural landscapes in Europe: The Black Forest. Explore on foot and fill your lungs with the fresh air. A 6,000 m² sports and sightseeing area. A 100 km² national park.

Don't stint on your packing: Hiking boots or snowshoes, for example, depending on the season. Golf or tennis equipment. A favorite book or two. Everything else, we can provide: Mountain bikes, e-bikes, yoga mat and an exciting program of activities, whatever it is that gets your heart racing.

WHEREVER THERE ARE BIG VACATIONS

It is often the youngest guests who have the most fun. They are not looking for relaxation, but adventure. They don't want to rest; they want to let off steam. They want to make friends and have fun. To not have any demands placed upon them, but to experience it all. From cooking classes to llama walks. From archery to burger parties.

Because what is true for our bigger guests is also true for our little ones: A stay at Traube Tonbach is always an experience that stays with you.

A BEAUTIFUL PLACE FOR EVENTS OF ALL KINDS

Although Traube Tonbach is a place to relax and unwind, it is also a great place for focused work or a special celebration. You're sure to find everything you need: The space and the atmosphere, the service and the gastronomy, nature and the wellness experience. In other words, everything that makes a meeting or an event special.

Whatever the occasion, we will be happy to advise on our conference and banquet rooms. We can also, on request, put together an individual supporting program for you: From wine tasting and guided hikes to a cooking school, where you can experience the famous Traube Tonbach cuisine from the other side of the kitchen.

EXCEPTIONAL SERVICE SINCE 1789

Hospitality is second nature to us.

Our understanding of what makes people happy when traveling is not down to coincidence, but experience. Traube Tonbach has been in the family for eight generations now.

According to our guests, you can tell. And that's exactly how it should be. It's all in the details: Our particularly attentive service, the fact that we can tell what somebody needs just from their eyes, the smiles that come from the heart, the ambience, which is both stylish and, most importantly, cozy.

And our efforts to treat both our guests and the nature of the surrounding Black Forest with the utmost care.

IF COOKING IS ART, THESE ARE OUR CANVASES

FOR AN EXTRA SPECIAL EVENING, YOU SIMPLY HAVE TO CROSS THE STREET

Our Stammhaus – a historic location.

Where it all began in 1789 as a tavern for thirsty lumberjacks and charcoal burners, for resin distillers and cart drivers.

More than 230 years later, it provides a new home:

For our 3-star restaurant Schwarzwaldstube – and the world-famous cuisine of Torsten Michel.

For our 1-star restaurant 1789 – and the high art of Florian Stolte.

For our restaurant Schatzhauser – where Swabian cuisine meets popular dishes from around the world.

For the Quartier – where we put the fun into private parties.

Smile Again

In the night of 5 January 2020, our Stammhaus burned down. In the night of 5 January 2020, we knew we would continue. How – we did not know. But we did know where: in exactly the same place. The place where it all began in 1789. Where once stood the birthplace of Traube Tonbach, a village tavern, now stands a new home.

OUR CUISINE HAS A NEW HOME

Shingles made from native larch. Wood from the local area. It protects us, our guests and our outstanding cuisine – in other words, everything that is precious to us. 40,000 carefully laid shingles. They warm the rooms and the soul.

And plenty of light, creating a special relationship between the guests and the space. The lighting concept was developed for us by an international design company. It bathes the space and our award-winning cuisine in the perfect light, creating a sense of harmony.

THE HIGHEST OF HIGHS

The Schwarzwaldstube

Synonymous with exceptional haute cuisine for forty years and bearing the unique signature of chef Torsten Michel since 2017.

And if three stars could be awarded for ambience, the new Schwarzwaldstube would win them hands down. Natural stone and velvet combined with a fully glazed wall offering a magnificent view of the valley, the forest and the sky. The perfect backdrop for culinary art.

The 1789

An homage to history. A tribute to perfection. The creations of Florian Stolte and his team can sometimes leave you lost for words. But always stir up the emotions. The former Köhlerstube now has a new space and a new name: 1789.

What remains are the many, many memories of overseas travels – and what Florian Stolte makes of them: a cuisine full of Far Eastern flavors and surprising accents. The restaurant has been awarded one Michelin star and 17 Gault-Millau points.

*“Schatzhauser in the green firwood,
thou art many hundreds of years old.
Yours is the land where the firs stand,
thou shalt only be seen by Sunday’s children”*

From the fairy tale “Heart of Stone” by Wilhelm Hauff, 1827

WHERE EVERY GUEST IS A SUNDAY'S CHILD

The Schatzhauser

Named after the good forest imp, who grants people's wishes, from the famous Black Forest fairy tale "Heart of Stone", the new Schatzhauser restaurant wants to offer guests everything they could wish for by welcoming families and friends to the table and treating them to the most delectable dishes in a relaxed atmosphere with a magnificent view of the Tonbach Valley.

THE LIGHT AT THE END OF THE VALLEY

THE PERFECT SPACE FOR SPECIAL OCCASIONS

The Quartier

Birthday party or business lunch, gala dinner or workshop: Whatever you want to organize, we have the space for you. Spacious and flooded with light, both the room and terrace can be furnished with chairs and used exactly as you wish. For the food, you are free to choose from everything that Traube Tonbach has to offer.

UPHOLDING A TRADITION OF QUALITY
